

X0445 - Urban Preparatory Academy

Middle School Wellness Policies

X0445 - Urban Preparatory Academy is committed to providing school environments that promote and protect children's health, well-being and ability to learn by supporting healthy eating, nutrition education, physical activity and integrated school based wellness. X0445 - Urban Preparatory Academy allows and encourages members of the school community and the general public to participate in the development and assessment of local wellness policies. It is the policy of X0445 - Urban Preparatory Academy that:

Policies in Place

Nutrition

General Guidelines

The dining area has seating to accommodate all students during each serving period.

The food service area is clean, orderly, and has an inviting atmosphere that encourages meal consumption.

The dining area has adequate adult supervision.

The dining area has food service personnel and supervisory staff use positive communication cues with students to promote consumption of foods served as part of Child Nutrition Programs.

The dining area had adults model healthy eating in the dining areas and encourage students to taste new and/or unfamiliar foods.

The students are allowed to converse with one another at least part of the meal time.

Mealtime conversation is not prohibited for the entire meal time as disciplinary action.

Reimbursable meals and/or parts of a reimbursable meal are not withheld or denied as a disciplinary action.

Students are not being disciplined by separating from other students in the dining area.

Students are not being disciplined by being seated in a separate location.

Content of reimbursable lunch and breakfast is identified near or at the beginning of the serving line(s).

Breakfast

All school breakfasts comply with [USDA regulations](#) and [state policies](#).

Students have the opportunity to eat breakfast.

District offers at least 15 minutes "seat time" to eat breakfast (not including time spent walking to and from class or waiting in line) or Grab n Go breakfast options are available.

Lunch

All school lunches comply with [USDA regulations](#) and [state policies](#).

One additional 1/2 cup* vegetable offering weekly from any of three vegetable subgroups (dark-green, red/orange, dry beans and peas).

An additional 1 cup* vegetable offering weekly from any of three vegetable subgroups (dark-green, red/orange, dry beans and peas).

Students have at least 15 minutes "seat time" to eat lunch not including time spent walking to/from class or waiting in line.

Nutrition

During the School Day

Students have access to free drinking water throughout the school day, including during meal service. Hygiene standards for all methods delivering drinking water will be maintained.

Nutrition Education

Nutrition Promotion

Students learn about the nutrition requirements for school meals and some students are involved in helping plan menus annually.

District promotes participation in the [National School Lunch Program \(NSLP\)](#) and [School Breakfast Program \(SBP\)](#) if applicable and to choose nutritious foods and beverages throughout the day. Menus are posted on school website and/or distributed to families via another method.

Physical Activity

General Guidelines

All students in grades K - 12 have the opportunity to participate in moderate to vigorous physical activity at least 2 times per week during the entire school year.

All students in grades K - 12 have the opportunity to participate in moderate to vigorous physical activity 3 or more times per week during the entire school year.

All students in grades K - 12 have the opportunity to participate in moderate to vigorous physical activity every day during the entire school year.

District prohibits the use of physical activity as a punishment. District prohibit withholding physical activity, including recess and physical education, as punishment.

District encourages extra physical activity time as an option for classroom rewards.

District uses extra physical activity time as a classroom reward.

Family & Community

Community members are provided access to the district's outdoor physical activity facilities.

Physical Education

Physical Education teaches basic motor skills, enhances knowledge of concepts related to movement needed to achieve and maintain health for lifetime physical activity.

Throughout the Day

Structured physical activity opportunities, in addition to physical education and recess (where applicable), are encouraged for all students.

Structured physical activity opportunities, in addition to physical education and recess (where applicable), are offered to all students at least 1 time daily. School staff are encouraged to participate.

Structured physical activity opportunities, in addition to physical education and recess (where applicable), are offered to all students at least 2 times daily. School staff are encouraged to participate.

Integrated School Based Wellness

General Guidelines

Annually, offer district-sponsored wellness family activities that address one or more components of the [Whole School, Whole Community, Whole Child Model](#).

Annually partner with local health agencies and community organizations.

Each semester, partner with local health agencies and community organizations.

Integrated School Based Wellness

X0445 - Urban Preparatory Academy

Middle School Wellness Policies

Developing Policies

Nutrition

General Guidelines

All school food service personnel receive required food safety training at a minimum of every 5 years. Continuing education training for all food service personnel meets federal and state requirements.

All school food service personnel receive required food safety training at a minimum of every 3 years.

Lunch

At least three different fruits are offered each week. Two fruits per week are served fresh.

Students have at least 20 minutes "seat time" to eat lunch not including time spent walking to/from class or waiting in line.

Students are offered recess before lunch and at least 20 minutes seat time to eat.

During the School Day

Students are allowed to have clear/translucent individual water bottles in the classroom where appropriate.

Students have clear/translucent individual water bottles in the classroom where appropriate.

Physical Activity

Family & Community

Community members are provided access to the district's indoor and outdoor physical activity facilities at specified hours.

Physical Education

District offers lifetime sports and fitness classes/opportunities.

Middle school students are offered physical education at all grade levels and receive 90-119 minutes of physical education per week, which includes at least 50% of the minutes engaged in moderate to vigorous intensity activity.

The following students, parents, classroom teachers, food service professionals, physical education teachers, health professionals, administrators, school board members and other interested community members are engaged in developing, implementing, monitoring, reviewing and making the district wide wellness policies available to the public:

Wade Moore, Chairperson

Twila Benson

Paris Tibbs
